"I got some checks and I couldn't help thinking about how much I appreciate that you make that happen for me. I send you a fax and money comes in the mail – it's like magic! Thanks for being so good at it, for keeping the flow going. I couldn't do it myself, really, so it's a comfort to know you are there!"

"I have been in business for over 25 years, and have had many administrative assistants come and go during that time. I can unequivocally say that Annette is far and away the best person I have ever had work with me in this position. She is extremely trustworthy – when I give her work to do, I know it will get done, and in a very timely manner. She is very organized, highly efficient, totally professional, and very kind and courteous in dealing with clients – I have never heard anyone say anything negative about her. She has made it possible for my business to grow nearly 50% in the one year she's been with me! To sum up my opinion of Annette Barron's services, I can honestly say that I give thanks every day for having her help – she is one of the greatest blessings in my life."

"I've expanded my office and have hired an assistant, as I mentioned earlier, it's been with your help that I've been able to get to where I am today. I'll certainly keep you in mind for any transcription work "overflow" or for any software/hardware issues."

"I've had the unusual pleasure of working with Annette since 1983. From '83 to '95, she was my full time administrative assistant at Price Waterhouse. In that role, she interfaced with clients and staff as well as taking care of my myriad details of managing the office. Since my retirement, Annette has assisted me periodically with my new duties at St. John Fisher College. Throughout our relationship, Annette has always demonstrated initiative, competence and professionalism. She is a self-starter with unusual talent. I recommend her to you highly."
